

The Jarrett Meeker Foundation 2008 College Scholarship Application

Eligibility Requirements

Up to \$5,000 is available for university students who:

- a) Have a major within the sciences
- b) Have completed at least 75 units
- c) Have a minimum GPA of 3.2
- d) Attend a university in San Diego County

Applicants must plan to pursue a career in science that reflects and/or complements the mission of the Jarrett Meeker Foundation.

Previous winners may re-apply for the Jarrett Meeker Foundation Scholarship. It is not automatically renewable.

Application Procedures

A complete application will consist of the following:

1. Cover letter stating how you heard about this scholarship opportunity and why you feel the Jarrett Meeker Foundation should choose you for this scholarship. At the top of the letter include your name, home and cell phone numbers, and an e-mail address.
2. A two-page essay that answers the following questions:
 - a) What do you want to be doing professionally ten years from now? If this includes advanced degrees, in what fields, and where?
 - b) When did you realize that this type of work was your life's ambition?
 - c) A brief biography, including campus or community activities and/or service.
3. Applicant Appraisal form in a sealed envelope completed by a university faculty or staff member who knows you well. Only one appraisal is required. (Form available on JMF Web site)
4. Official copy of your complete university transcript.

DEADLINE: November 30, 2008

Submit your completed application, transcript and appraisal form to:

The Jarrett Meeker Foundation
Attn: College Scholarship
3755 Avocado Blvd. #211
La Mesa, CA 91941-7301

Finalists will be interviewed. Awarded funds will be sent directly to the scholarship winner's university to be applied toward required fees.
